APPLICATION OF THE UNITED STATES  
FOR AN ORDER PURSUANT TO 18 U.S.C. § 2703(d)

The United States of America, moving by and through its undersigned counsel, respectfully submits under seal this *ex parte* application for an Order pursuant to 18 U.S.C. § 2703(d). The proposed Order would require CELLCO DBA VERIZON WIRELESS, a cellular service provider, located in Bedminster, New Jersey, to disclose certain records and other information pertaining to the cellular telephone assigned call number (603) 828-3164, as described in Part I of Attachment A to the proposed Order. The records and other information to be disclosed are described in Part II of Attachment A. In support of this application, the United States asserts:

LEGAL BACKGROUND

1. CELLCO DBA VERIZON WIRELESS is a provider of an electronic communications service, as defined in 18 U.S.C. § 2510(15). Accordingly, the United States may use a court order issued under § 2703(d) to require CELLCO DBA VERIZON WIRELESS to disclose the items described in Part II of Attachment A, as these records pertain to a subscriber of electronic communications service and are not the contents of communications. *See* 18 U.S.C. § 2703(c)(1).

2. This Court has jurisdiction to issue the proposed Order because it is “a court of competent jurisdiction,” as defined in 18 U.S.C. § 2711(3). *See* 18 U.S.C. § 2703(d).

Specifically, the Court is a district court of the United States that has jurisdiction over the offense being investigated. *See* 18 U.S.C. § 2711(3)(A)(i).

3. A court order under § 2703(d) “shall issue only if the governmental entity offers specific and articulable facts showing that there are reasonable grounds to believe that the contents of a wire or electronic communication, or the records or other information sought, are relevant and material to an ongoing criminal investigation.” 18 U.S.C. § 2703(d). Accordingly, the next section of this application sets forth specific and articulable facts showing that there are reasonable grounds to believe that the records and other information described in Part II of Attachment A are relevant and material to an ongoing criminal investigation.

#### THE RELEVANT FACTS

4. The United States is investigating the unlawful distribution of fentanyl/heroin pills in and around Rochester, New Hampshire. The investigation concerns possible violations of, *inter alia*, 21 U.S.C. § 841(a)(1) and (b)(1)(C).

5. On September 2, 2017, the New Market, New Hampshire Police Department responded to a residence to investigate the suspected drug overdose death of Moira Byrnes. At the scene, officers seized a cellular telephone bearing telephone number (603) 312-7808, no listed subscriber. A subsequent forensic examination of the cellular telephone revealed that on September 1, 2017, cellular telephone (603) 312-7808 was in contact numerous times via telephone calls and text messages with cellular telephone (603) 828-3164, subscribed to Andrew P. Lynch, 208 Blackwater Road, Rochester, New Hampshire. Cellular telephone (603) 828-3164 was listed under “Andrew” in Byrnes’ phone contact list.

6. Law enforcement subsequently interviewed an individual who stated that on the evening of September 1, 2017, this individual drove Byrnes to 208 Blackwater Road, Rochester,

New Hampshire to purchase pills. The New Hampshire Medical Examiner's Office subsequently determined that Byrnes died of acute fentanyl intoxication.

7. The United States Drug Enforcement Administration is conducting a parallel investigation into Lynch's suspected drug trafficking and has identified Lynch as the user of cellular telephone (603) 828-3164. As part of this investigation, in May and June, 2017, DEA conducted two controlled purchases of fentanyl and heroin pills from Lynch at the Blackwater Road residence.

8. Based on witness statements, cellular telephone analysis and the ongoing investigation, law enforcement believes Lynch was the source of supply of the fentanyl pills that led to Byrnes' untimely death.

#### REQUEST FOR ORDER

9. The facts set forth in the previous section show that there are reasonable grounds to believe that the records and other information described in Part II of Attachment A are relevant and material to an ongoing criminal investigation. Specifically, these items will help the United States to further identify the individual who is responsible for the events described above, and to determine the nature and scope of his criminal activities. Accordingly, the United States requests that CELLCO DBA VERIZON WIRELESS be directed to produce all items described in Part II of Attachment A to the proposed Order.

10. The United States further requests that the Order require CELLCO DBA VERIZON WIRELESS not to notify any person, including the subscribers or customers of the account(s) listed in Part I of Attachment A, of the existence of the Order until further order of the Court. *See* 18 U.S.C. § 2705(b). This Court has authority under 18 U.S.C. § 2705(b) to issue "an order commanding a provider of electronic communications service or remote computing service

to whom a warrant, subpoena, or court order is directed, for such period as the court deems appropriate, not to notify any other person of the existence of the warrant, subpoena, or court order.” *Id.* In this case, such an order would be appropriate because notification of the existence of the order will seriously jeopardize the investigation, including by giving the target an opportunity to flee, destroy or tamper with evidence, change patterns of behavior, or notify confederates. *See* 18 U.S.C. § 2705(b).

11. The United States further requests that the Court order that this application and any resulting order be sealed until further order of the Court. As explained above, these documents discuss an ongoing criminal investigation that is neither public nor known to the target of the investigation. Accordingly, there is good cause to seal these documents because their premature disclosure may seriously jeopardize that investigation.

Respectfully submitted,

JOHN J. FARLEY  
Acting United States Attorney

IT IS THEREFORE ORDERED, pursuant to 18 U.S.C. § 2703(d), that CELLCO DBA VERIZON WIRELESS shall, within ten days of the date of this Order, disclose to the United States the records and other information described in Attachment A to this Order.
